THE FRAIDY CAT.

By Hal Roach.

Jimmy Jump has a lot of everything but courage. He is even afraid of his own shadow and much to his annoyance and disgust even the little kids who play on the street, aware of the lack of this manly attribute, have great fun playing tricks on him. Desperate by a continuance of these attacks, Jimmy goes to training quarters and manfully punches a non-resisting dummy. Then, mentally brave, he sets forth to seek vengeance on those who have annoyed him. His brave attitude is further stimulated by the fact that a physical examination by his doctor a day before, gave him the alarmed information that he had but a week more to live. So Jimmy resolves to die fighting. Not alone does he clean up the many annoyers but also one or two largemembers of the male sex and in so doing, wins his way right into the heart of his best girl.
